

SPRING VIRTUAL TRAINING

CAMPER SUPPORT SPECIALIST COURSE

A 5-hour, comprehensive, positive, proactive training to enhance individualized camper supports within your existing program. Topics include neurodiversity, de-escalation, behavior skills, individual plans, social skill supports, decoding, and more. Ideal for inclusion/MESH/camper care staff and anyone providing services to campers with high needs.

NEW SUPERVISORS CRASH COURSE

A quick-paced introduction to leadership styles, supervising/coaching/mentoring, incident response, handling difficult conversations well, and QYMNKTA (questions you might not know to ask). A great way to set up your leaders for success!

DE-ESCALATION WORKSHOP

A comprehensive guide to identifying, preventing, and managing escalated/intense/unsafe participant behaviors.

ESSENTIAL BEHAVIOR MANAGEMENT SKILLS

Here's the chance for your front-line staff to train live with Emily! Get your staff ready to manage group and individual behaviors with these immediately implementable toolbox skills.

MANAGING DECISION FATIGUE

Provides insight and essential skills so leadership/supervisors/directors can be resilient in the face of summer camp's unique, high-intensity, short-term stress management challenge.

HELPING YOUR STAFF TAKE INITIATIVE

It's not that they don't want to, it's that they haven't had to growing up, and don't know how. Let's fix it before summer.
